

# POWWOW CREEK OUTDOORS

## Alaska Fishing Trip

Unlike most places in Alaska, at Larsen Bay Lodge you do not have to limit yourself to just freshwater fishing or just saltwater fishing. With a fleet of boats and our own floatplane, you can design your adventure any way you would like. Each day you can choose whether you would like to experience the variety and abundance of saltwater fishing for giant halibut, black sea bass, ling cod, etc. or head to the world class salmon and steelhead rivers that are only minutes away from the lodge.

4 Days/5Nights...\$3,800  
 5Days/6Nights....\$4,750  
 6 Days/7 Nights...\$5,500  
 7 Days/8 Nights...\$6,000

You can combine salmon fishing, halibut fishing, wildlife viewing, crabbing, and beach combing all into one trip at no extra charge, (other than license fees)!
