

# POWWOW CREEK OUTDOORS

## Canada Big Game Hunt

A caribou hunting trip to Northern Quebec is more than just a hunt - it is an overall adventure to experience the land, the scenery and its people. Hunt for caribou with rifle, with bow or both, take time to fish and catch and release a 5 lbs. brook trout on some quiet stretch of river, what about seeking a covey of white ptarmigan on the open tundra with your favorite shotgun. And what about waking up in the middle of the night to experience the spectacle of

**Caribou 1 x 3 ... \$6,245 per person** This is a six (6) day and six (6) night trip that includes one (1) guide per three(3) hunters for Caribou in Canada. This hunt is available from August to October. Youth 12-16 joining parents can save \$750 and observers save \$500 from the per person price.
